Dear Josph kurai
I am excited to apply for the MERN Stack Developer position at britcopvt.ltd. With two years of experience building full-stack applications using MongoDB, Express.js, React, and Node.js, I specialize in creating responsive front-end interfaces, scalable APIs, and efficient database solutions.
At Astechpvt.ltd, I worked on end-to-end projects, collaborating with teams to deliver high-quality web applications on time. My strong problem-solving skills, experience with Git workflows, and focus on performance ensure I can contribute effectively to your development team.
I admire Lumina Studio's commitment to innovation and would love the opportunity to bring my technical expertise and passion for web development to your projects.
Sincerely,
 [Your Name]

Warmest regards,

Shahinshad k
